COMMISSION ON HOSPITALS AND HEALTH CARE

IN THE MATTER OF:

Radiology and Imaging, Inc.
701 Enfield Street
Enfield, CT 05082

Docket Number: 89-1005
March 27, 1990

AGREED SETTLEMENT

WHEREAS, Radiology and Imaging, Inc. ("Applicant"), a health care facility or institution as defined in Section 19a-145 of the Connecticut General Statutes ("C.G.S.") did file a Certificate of Need ("CON") application with the Commission on Hospitals and Health Care ("Commission") on December 1, 1989, in Docket Number 89-1005, pursuant to Sections 19a-154 and 19a-155, C.G.S.; and

WHEREAS, pursuant to an investigative proceeding in Docket Number 88-1003c, a CON application was required;

WHEREAS, the investigative proceeding defined in the scope of the CON; and

WHEREAS, in the course of the investigative proceeding, the Applicant stated it had no plans to add magnetic resonance imaging to its services; and

WHEREAS, the CON application was for the purchase and operation of a CT scanner in Enfield, Connecticut for a capital expenditure of \$448,917.

WHEREAS, the Commission has reviewed the CON application pursuant to Sections 19a-154 and 19a-155, C.G.S., and has considered the principles and guidelines in Section 19a-153, C.G.S., as amended by Section 12 of Public Act 89-371 in its review; and

WHEREAS, pursuant to Section 19a-154, C.G.S., the Commission shall determine whether any additional function or service which a health care facility or institution intends to provide is justified; and

WHEREAS, on December 1, 1989, the Applicant filed a request for waiver of public hearing, pursuant to Section 19a-160-36a of the Commission's Regulations, claiming that the application is non-substantive in terms of the criteria expressed in Section 19a-153 as defined in Section 19a-160-89 of the Commission's Regulations, C.G.S.; and

WHEREAS, on February 20, 1990, the Chairman of the Commission determined that application was eligible for consideration of waiver of hearing and a notice to the public was published in the Journal Enquirer, pursuant to Section 19a-160-36a of the Commission's Regulations; and

WHEREAS, on March 13, 1990, the Commission deemed it appropriate that the Applicant's request for waiver of hearing be granted; and

WHEREAS, the Connecticut General Statutes in Section 4-177(c) provides that unless precluded by law, a contested case may be resolved by agreed settlement; and

-2-

WHEREAS, both the Commission and the Applicant wish to resolve their differences regarding this Certificate of Need for purchase and operation of a CT scanner.

NOW, THEREFORE, the Commission and Radiology and Imaging, Inc. hereby stipulate and agree to the terms of settlement with respect to the Applicant's request for a Certificate of Need for a CT scanner as follows:

1. The Applicant's request for purchase and operation of a CT scanner is hereby approved.
2. The total capital expenditure for all components of the project is approved at \$448,917.
3. The Applicant shall take all measures to ensure that the approved capital expenditure of \$448,917, is not exceeded. In the event that the scope of the project is changed or that the Applicant learns of potential cost increases or expects final project costs will be higher than those approved, the Applicant shall immediately cease implementation of the project, and advise the Commission in writing of such change in scope or cost increase. The Applicant shall file with the Commission a request for approval of the changed scope or cost increase. The Applicant shall neither incur a financial obligation or expend funds in excess of the maximum capital expenditure as approved by the Commission herein, nor change the scope of the project without prior written approval from the Commission. Should the final capital expenditure be less than the amount approved by the Commission, the Applicant is expressly limited to the expenditure which is the lesser of \$448,917 or the actual project cost. Any amount in excess of the actual project cost shall not be transferred to any other project or capital expenditure without the express written approval of the Commission.
4. Within 30 days of the completion of the project, the Applicant shall report the final project cost to the Commission on Attachment I of this Agreed Settlement.
5. The Applicant shall not operate nor provide diagnostic services utilizing Magnetic Resonance Imaging without authorization through Certificate of Need from the Commission.
6. This authorization shall expire on March 20, 1991 unless the Applicant presents evidence to the Commission that operation of the CT scanner has commenced before that date.
7. The Commission and Radiology and Imaging, Inc. agree that this represents a final agreement between the Commission and Radiology and Imaging, Inc. with respect to this request.
